

Time and Tide

Demis Roussos

Time and tide
You're rolling rhythms of the music of my heart
Hard times move slowly
But the good times move so fast
The good times move so fast

Rolling time and tide
Your summer sunlight seems to melt away disguise
Reflects the warmth of summer in a young girl's eyes
In a young girl's eyes

And love
Is love not for two?
Every morning come let us stay asleep
Find the love in our lives so quickly through
An April morning
We must not waste it

Time and tide
I've watched your perfect sunsets
Slip into the waves
Your light was gone the beauty
Mind and memory stays
My sweet memory stays

Time and tide
Your rolling rhythms with the music of my heart
Hard times move slowly
But the good times move so fast
The good times move so fast

And love
Is love not for two?
Every morning come let us stay asleep
Find the love in our lives so quickly through
An April morning
We must not waste it

Find the love...
