Demob Happy

I am afraid to be who I am  
To be as they say, "A man"  
Baby, it's strange  
You can be up onstage  
And nothing makes you worth a damn

And I know nothing wrong could happen  
While I'm still in love with you  
I know nothing wrong could happen  
While I'm still in love with you

I get up  
I get down  
Celebrate me like you do, baby  
Celebrate me, you'll get up  
Get up, get up, get up  
Get out

Everybody thinks that I'm so  
Maybe I don't wanna be  
An eye for an eye  
A tooth for a tooth  
Set up on a plate for me

And I know nothing wrong could happen  
While I'm still in love with you  
I know nothing wrong could happen  
While I'm still in love with you

I get up  
I get down  
Celebrate me like you do, baby  
Celebrate me, you'll get out  
Celebrate me like you do, baby  
Celebrate me, you'll get up  
Get up, get up, get up  
Get out

Celebrate me  
Elevate me

I know nothing wrong could happen  
While I'm still in love with you  
I know nothing wrong could happen  
While I'm still in love with you

I get down, get up  
Celebrate me like you do, baby  
Celebrate me, you'll get out  
Celebrate me like you do, baby  
Celebrate me, you'll get up  
Get up, Get out
