

Summoner

Demob Happy

Nothing to do, nothing to do, nothing to do
Nothing but you, nothing but you, nothing but you
Got everything you want
Everything you need
Got everything you saw
Oh you see?

Something to do, something to do, something to do
Summon you, summon you, summon you
Got everything you want
Everything you need
Got everything you saw
Oh you see?

You really turn me on
You really turn me off
You really turn me on
You really turn me off

Cause got a lot to say
Cause got a lot to learn
Cause got a lot to pay
Cause got a lot to earn

So say goodbye
Cause you learn to die
Say goodbye
Cause you learn to die

Say good
Say goodbye
In case you learn to die

Say good
Say goodbye
In case you learn to die

Say good
Say goodbye
In case you learn to die

Say good
Say goodbye
In case you learn to die

Say good
Say good (bye)
