

Coffin Builder

Demon Hunter

My life fell out of my hands and into
This hole where everything's cold
I lose the feeling of guilt. There's
nothing inside, my innocence died.
And now the emptiness grows, it's
bringing me down and taking my crown
I've seen where everything's dark.
It's here in my soul, I'm losing control.

Have mercy on me.
Have mercy on me.
Have mercy on me for every thorn I've driven in.

Within these walls you'll see
Alone in here - the end.

Before my very last day I'm making it stop.
I'm turning it off.
I'll fight the feeling I have until everything's
Gone. Resistance has won
Now time is healing these wounds and
You are still here releasing my fear
My life fell out of my hands. They
took it away, I'm taking it back.

Have mercy on me.
Have mercy on me.
Have mercy on me for every thorn I've driven in.

And everyday I feel like this weight's
Constantly dragging me down
Broken for the last time (Never get the best of me, won't get t
he best of me)
I've got a heart of steel, but your words are
Constantly bringing me down.
I'm open for the first time (Never get the best of me, wont' ge
t the best of me)

Have mercy on me.
Have mercy on me.
Have mercy on me for every thorn I've driven in.

My fall draws near.
