

My Heart

Demotional

So back and forth
Can't seem to get a grip on this situation, kind of getting out
of hand
Are you there my friend?
For what it's worth, you've got me to hold on
This conversation wasn't something I had planned
This is not the end
It's not the end

I'm hanging on each second
I never wanna give up hope, cuz I don't think I'll ever learn t
o let go
I'm hanging on each second
I never wanna give up hope
There is nothing that I wouldn't try
I would pull out my heart cuz you're too perfect to die

A million reasons to not give up
I feel your pain but damn don't you dare to stop
The silence chokes me, too much to bear
Others give up but I know that you are there

I'm hanging on each second
I never wanna give up hope, cuz I don't think I'll ever learn t
o let go
I'm hanging on each second
I never wanna give up hope
There is nothing that I wouldn't try
I would pull out my heart cuz you're too perfect to die

And I believe you can hear every word I say
I pray that you feel you are not alone
Just grasp my hand and come back home
Come back home

I'm hanging on each second
I never wanna give up hope, cuz I don't think I'll ever learn t
o let go
I'm hanging on each second
I never wanna give up hope
There is nothing that I wouldn't try
I would pull out my heart cuz you're too perfect to die
Too perfect to die
