

There's No Other

Deniece Williams

There's no other
Oh-whoa
Oh-oh
Other

You know I love you
Temporary love's not my forte
Since we've been together
I realize that we can last always
Boy, I've been touched by your sincerity
That lasting love you speak of
You just found it in me

There's no other, oh-oh-oh...
Baby, can't you see
That there's no other
There's no other
Ooh-ooh-ooh-ooh...
I'm the one for you you'll discover

Now don't be suspicious
I won't ever play mind games with you
I know how you're feeling
Some folks want their cake and eat it too
You don't have to worry
'Cause I'll always be a one man's girl
This faithful love you speak of
I'm gonna give it to you

There's no other, oh-whoa-whoa...
Baby, can't you see
That there's no other, no, no
There's no other
Ooh-ooh-ooh-ooh-ooh...
You won't ever share me with another, no
There's no other, oh-oh-oh...
I'm the one for you you'll discover, baby
There's no other
Ooh-ooh-ooh-ooh-ooh...
Darling, can't you see
That there's no other, no

Ooh, you're so special
And I appreciate a love that's true
We've both been hurt before
So I won't make that same mistake with you

(Ooh-whoa)
Oh-whoa...
(There's no other)
'Cause I don't need nobody else
I'm so in love with you
(There's no other)
And, oh...
(Ooh-whoa, other, other)
Ooh-ooh-ooh-ooh...
It's me and you, yeah

Ooh, you're so special
And I appreciate a love that's true
We've both been hurt before
But I'll say this, boy, I'm in love with you
Baby, oh-whoa...

Yeah, yeah, yeah, yeah

There's no other, oh-whoa...
I'm the one for you
And you'll discover, darling
There's no other
Ooh-ooh-ooh-ooh-ooh...
Baby, can't you see
That there's no other, no, no, no
Oh-oh-oh...
I've been touch by you
And you'll discover, darling
There's no other
Ooh-ooh-ooh-ooh-ooh-ooh...
I know that we can last forever, baby

There's no other, yeah
(Baby)
'Cause I'm in love with you
(There's no other)
Darling
(Ooh-whoa)
There's no other...
