

We Sing Praises

Deniece Williams

We lift our hands to the Lord
Giving thanks for all that we've received
He is our hope, our help in time of need
So we come to lift our voice in harmony

We sing praises to the Lord, King of Kings
We sing praises to the Lord, His Majesty
We sing praises to the Lord, King of Kings
Right now, right now

Oh, yeah

Ooh, Father, Son, and Holy Spirit reigns
I'm so glad His truth lives on in me, yes I am
But no man rolled the stone away
(No, no, no, no, no)
Oh, when He gave the greatest gift at Calvary
(You need to look to Calvary, oh, yeah)

We sing praises to the Lord, King of Kings
Oh, we sing praises to the Lord, His Majesty
Yeah, we sing praises to the Lord, King of Kings
Right now, right now, right now, oh...

Oh, we sing praises to the Lord, King of Kings
Oh, we sing praises to the Lord, His Majesty
And we sing praises to the Lord, King of Kings
Right now, right now...
