(Oh, back to where we started  
Back to where we started, oh  
Oh, back to when  
Hey, baby)

It's been 45 minutes you been blowing my phone  
I mean, shit, situation is outta control  
My bad, I been so fired up in here  
So when the coast is clear  
I'm moving far out of reach  
What I got on my mind  
Is that I'm hurt and you like it  
This ain't chess I ain't no side piece

But I bet you're too upset to even notice  
I been trying hard to keep us floating  
You wouldn't mind if I rewind it  
This shit got me pretty honest  
And I'm tired of being open  
'Cause we keep on going back to where we started  
(Never mind I said I wish you'd mind)

Never mind I said I wish you'd mind  
Putting you past so we can't rewind  
If I end up with you one more time  
Then I guess you're my favorite crime  
That's right, I'm out  
But that's fine, 'cause I'm back to  
Lying when I said I wish you'd mind  
Putting you past so we can't rewind

Never mind I'll miss you  
Before I kiss you  
This song on repeat then reminisce you  
I don't get the issue of being untrue, baby  
When it all comes down I'm still up, waiting, wasting my breath  
No, never get rest out of my impatience  
Used to you, I don't know if I can repent

But I bet you're too upset to even notice  
I been trying hard to keep us floating  
You wouldn't mind if I rewind it  
This shit got me pretty honest  
And I'm tired of being open  
'Cause we keep on going back to where we started  
(Never mind I said I wish you'd mind)

Never mind I said I wish you'd mind  
Putting you past so we can't rewind  
If I end up with you one more time  
Then I guess you're my favorite crime  
That's right, I'm out  
But that's fine, 'cause I'm back to  
Lying when I said I wish you'd mind  
Putting you past so we can't rewind

Oh, back to where we started

Back to where we started, oh  
Oh, back to when  
Never mind I said I wish you'd mind  
Putting you past so we can't rewind
