

thinkin' bout u

Denise Julia

Had a picture-perfect view when I thought
Of what I wanted if I were to be yours
Now who'd have thought you'd make me so insecure?
Somehow the differences from right and wrong
Just flew out the door

It's like the signs were there for me to ignore
Yeah, I was blinded, had my clothes on the floor
And when you disappeared like you did before
It's the same questions on my mind
And I don't even bother, why?

It's the way you move
It's the things you do
It's the way you think
Like everything's about you
It's the way you talk
And the way you're so confusing
So I just don't understand
Why I'm still thinkin' of

Don't know why I am still
Thinkin' bout
Thinkin' bout
You
Don't know why I am still
Thinkin' bout
Thinkin' bout
You
No, I know you ain't for me
Who am I to complain?
I know I shouldn't be
Thinkin' bout
Thinkin' bout
You

Don't know why I am still
Thinkin' bout
Thinkin' bout
You
Don't know why I am still
Thinkin' bout
Thinkin' bout
You
No, I know you ain't for me
Who am I to complain?
I know I shouldn't be
Thinkin' bout
Thinkin' bout
You

No, it's an issue, 'cause if I can recall
Yeah, I was full with love, I'm ready to pour
So now I question if it's just in your core
To be so easily attracted had me way too unsure

So much that you left me too speechless

That my nights have become sleepless
Funny 'cause there's none between us
And I know
That if I had the chance to be yours
It would still be nice to meet ya
And I just can't bid goodbye
Till I move on

Don't know why I am still
Thinkin' bout
Thinkin' bout
You
Don't know why I am still
Thinkin' bout
Thinkin' bout
You
No, I know you ain't for me
Who am I to complain?
I know I shouldn't be
Thinkin' bout
Thinkin' bout
You

Don't know why I am still
Thinkin' bout
Thinkin' bout
You
Don't know why I am still
Thinkin' bout
Thinkin' bout
You
No, I know you ain't for me
Who am I to complain?
I know I shouldn't be
Thinkin' bout
Thinkin' bout
You

Oh, thinkin' bout you
Oh, thinkin' bout you
