

Dreamer

DENM

I'm a dreamer, baby
Say y'all think I'm crazy
Well, I said maybe
'Cause maybe I am

I'm a dreamer, baby
Say y'all think I'm crazy
I do it my way
I'mma do my own dance

We just want to get free
We just want to get free
We just want to get free
We just want to get free

I'm a dreamer, baby
Say y'all think I'm crazy
I do it my way
I'mma do my own dance

Take a look in my head
You're scared of what you see
'Cause I'm a mad man
I'll set you free

I'm a dreamer, baby
Say y'all think I'm crazy
I do it my way
I'mma do my own dance

We just want to get free
We just want to get free
We just want to get free
We just want to get free

I'll set you free, yeah
I'll set you free, yeah

I'm a dreamer, baby
I'm a dreamer, baby
Well, I said maybe
'Cause maybe I am
