

Good Vibes

DENM

(Woo, yeah)
Nah, nah, nah, nah, woah

I'm feelin' it baby, you know it's a good time
Put my hands up, 'cause I'm all about the good vibe
I'm feelin' it, baby you know it's a good time
Put my hands up, 'cause I'm all about

The good vibrations
All about the good vibrations
All about the good vibrations
All about the good vibra-a-ay-a-ations, yeah

It seem like everybody tryna stay low (Stay low)
But we could fly around a needle, hang low (Hang low)
I know the Lord is sick of hands in the air
But I'ma wave 'em like I just don't care (Nah, woop)
I ain't mad, I ain't sad right now (Now)
I ain't tryna feel bad right now (No, sir)
Black, white, brown, gather 'round right now
Love's the only thing I'm tryin' spread right now (Yo)

(Woo, yeah, yeah)
Nah, nah, nah, nah, woah

I'm feelin' it baby, you know it's a good time
Put my hands up, 'cause I'm all about the good vibe

Put my hands up, 'cause I'm all about

The good vibrations
I'm all about the good vibrations

Yeah, yeah
How come everybody's always tryin' to hate (We know)
Love is the way to make the world a better place (A better place)
I feel like everybody's worried 'bout the wrong things
(And why you trippin'?)
So I'ma be myself no matter what you call me (Woo, woo, Yeah)
When negative energy comin' around (Yeah, uh-huh, uh-huh, uh-huh)
I give it some love and I turn it around (Around, yeah)
So, turn up when you hear this sound, eh (Yeah, yeah, yeah, yeah)
And we ain't ever comin' down

I'm feelin' it baby, you know it's a good time
Put my hands up, 'cause I'm all about the good vibe
I'm feelin' it, baby you know it's a good time
Put my hands up, 'cause I'm all about (Yeah, yeah, yeah, yeah)

The good vibrations
