

Under Pressure

DENM

Why do I always feel this way?
Tonight I can make it go away
No more depression
I'm under pressure
I'm under pressure
So I'm gonna dance until I'm better
I'm under pressure
So I'm gonna dance here forever
I'm under pressure
I'm under pressure

Why do I always feel this way?
Tonight I can make it go away
Why do I always feel this way?
Tonight I can make it go away
No more depression
I'm under pressure
I'm under pressure
So I'm gonna dance until I'm better
I'm under pressure
So I'm gonna dance here forever
Ooh, ooh

I'm under pressure
I'm under pressure
Ooh, ooh
I'm under pressure
I'm under pressure

I'm under pressure
I'm under pressure
