

# Drifter

Dennis Brown

Oh-oh-oh... girl, oh yeah now

Early you run come  
And give me your love  
Whoa yes, your true love  
Early you run come  
And give me your love  
Whoa yes, whoa yeah, whoa yeah

From the day I know myself  
I have been a drifter, oh yeah  
I have been a drifter  
From the day I know myself  
I have been a drifter  
Whoa yes, whoa yeah, whoa yeah

Girl my life has changed  
From the first day I met you  
Whoa yes, the first day I met you  
Girl my life has changed  
From the first day I met you  
Whoa yes, whoa yeah, whoa yeah

Early you run come  
And give me your love  
Whoa yes, your true love  
Early you run come  
And give me your love  
Whoa yes, whoa yes, whoa yeah

From the day I know myself  
I have been a drifter, oh yeah  
I have been a drifter  
From the day I know myself  
I have been a drifter  
Whoa yes, whoa yes, whoa yeah

Girl my life has changed  
From the first day I met you  
Whoa yes, the first day I met you
