The lord God he is with us, yes  
He gave us the moon  
And the stars and his blessing  
No regrets, no sorrow, nor pain, no no  
Oh Jacob, he recalls the name

My people don't be misled  
Come along  
My people think wise instead  
Children  
My people don't be misled  
My people think wise instead

Here we are singing and dancing  
Together like one family  
We all know, we all know  
We all know what it is to be free  
Lets all sing and [?] enmity, no no

My people don't be misled  
Come along  
My people think wise instead  
Children  
My people don't be misled  
My people think wise instead
