Money in my pocket

Dennis Brown

Money in my pocket but I just can't get no love Money in my pocket but I just can't get no love I'm praying for a girl to be my own Some may say she coming but I don't believe a word she said Cause she ran away and left me one rainy day She made me had in mind That the love would never die And a now I'm alone, so alone I'm so alone, yeah, yeah

Money in my pocket but I just can't get no love Money in my pocket but I just can't get no love The love I had in mind Was very, very hard to find Oh, it's hard for a man to live without a woman And a woman needs a man to cling to You'll see what love could do After making me feel blue Ain't that a shame, yeh oh baby Ain't that a shame To make me feel blue

I've got money in my pocket...
