

# My Time

Dennis Brown

Now this is my time, oh yeah  
Lord have mercy  
Now it's my time  
It's not your time  
Now is my time

There'll be no mercy for the merciless  
All liars and a thieves must confess  
When it's their turn to meet the almighty one  
Oh what a day it is today

Today now it's my time  
Sing revelation time  
It's a blessed time  
It's Negast's time

Although children are having children  
Brothers are fighting brothers  
Mother against their own sons  
Fighting against their religion

This is rasta time  
A blessed time  
It's a very great time  
It's the right time  
Wooy

Now it is rasta time, oh yeah  
Now it is my time  
Now it is my time yeah wow

I said, there'll be no mercy for the merciless  
All liars and-a thieves must confess  
When it's their turn to meet the almighty one  
Oh what a day it is today

Now it's my time  
Singing revelation time  
It's a blessed time  
It's Negast time  
Say it's rasta time  
It's my time  
Singing revelation time  
A very great time  
This is rasta time, whoo yeah  
Sayin' this is rasta time, whoo yeah yeah  
This is my time  
A very great time...
