Wolf and Leopard

Dennis Brown

Come along yeah and dig my song

Too much wagonist
Too much antagonist

Wolves and Leopards
are trying to kill the sheep and the shepards (repeat 2x)

Too much informers
Too much talebearers (repeat 2x)

Wolves and Leopards

are trying to kill the sheep and the shepards (repeat 2x)

Too much watch and peep
It's time the wolves dem leave the sheep (repeat 2x)

Wolves and Leopards
are trying to kill the sheep and the shepards (repeat 3x)
