

# Your Man

Dennis Brown

Your man... yeah  
Your man

You made me build my house about, hmm-mmm  
So we could be together by-and-by, hmm, yeah  
There'll be lots of good days ahead for us, yeah  
To each other we'll never be unjust, hmm-mmm, yeah

You captured my heart so swiftly  
I gave it to you gladly  
Maybe I've been seeing changes  
You don't want me to be your man  
Your man  
Your man, [?]  
Your man, yeah

Shubidoob-shoo, ooh yeah  
Shubidoob-shoo, doo  
Shubidoob-shoo, ooh yeah  
Shubidoob-shoo, doo... yeah

You captured my heart so swiftly  
I gave it to you gladly  
Maybe I've been seeing changes  
You don't want me to be your man  
Your man, alright  
Your man, yeah  
Your man, yeah

Shubidoobidoo, ooh yeah  
Shubidoobidoo, ooh, yeah  
Gotta [?] love, baby

You captured my heart so swiftly  
I gave it to you gladly  
Maybe I've been seeing changes  
You don't want me to be your man  
Your man, ever living man  
Your man, yeah  
Your man, yeah

Shubidoobidoo, ooh, ooh yeah  
Shubidoob-shoo, ooh yeah  
Shubidoob-shoo, doo... yeah

What is it that I haven't got, yeah  
Or it seems to have your love  
It sure takes a lot, hmm-mmm, yeah  
Love is all I really, really got to give, yeah  
Got to have your love, woman  
Got to have your love, alright now

Woman... yeah now  
Baby  
Your love...  
Your love... yeah  
Got to have your love now, ooh yeah

Got to have your love now...
