

# Once Upon a Dream

Dennis DeYoung

Once upon a dream  
I was lost in love's embrace  
There I found a perfect place  
Once upon a dream

Once there was a time  
Like no other time before  
Hope was still an open door  
Once upon a dream

And I was unafraid  
The dream was so exciting  
But now I see it fade  
And I am here alone

Once upon a dream  
You were heaven sent to me  
But it wasn't meant to be  
Now you're just a dream  
Could we begin again  
Once upon a dream?
