

## Act II: Can't Go Back

Dennis Lloyd

Now it's time for me to get up off the floor  
Cause I can't stop now  
And I just can't let you know girl  
Oh it's time for me to get out of the door  
Gotta make it stop  
Cause I cannot hold much longer

And when I go down  
Baby you  
Wanna go up  
Baby oh  
And when I go low  
Baby you  
Wanna go high  
And I don't wanna fucking hurt my little girl

You can't believe that I'm leaving  
But baby look at me  
Maybe I'm the reason that you fall back baby  
And the nights have turned into days of being a better me  
And I can't go back  
I cannot go back baby

Your body is like a poison  
It's like an overdose  
And I got addicted to your toxic baby  
But the way you drag me down girl  
Through all these lines and rows  
Gotta make it stop  
Cause I cannot hold much longer

And when I go down  
Baby you  
Wanna go up  
Baby oh  
And when I go low  
Baby you  
Wanna go high  
And I don't wanna fucking hurt my little girl

You can't believe that I'm leaving  
But baby look at me  
Maybe I'm the reason that you fall back baby  
And the nights have turned into days of being a better me  
And I can't go back  
I cannot go back baby
