

Gotta think about it
Gotta think about it
Gotta think about it
Gotta think about it

Here I am girl
Talking to myself again
Every night I
Think about the way to end, end

All these accusations
All these allegations
Do you wanna know what I really think about them?
All these situations
Riding on my patience
Do you wanna know what I really think about you, baby?

Go fuck yourself
Bitch I gotta say that
Bitch I gotta say that, go
Go fuck yourself
Bitch I gotta say that
Bitch I gotta say that, go

Here I am girl
Talking to myself again
Everyday I
Think about the words you said, yeah

All these accusations
All these allegations
Do you wanna know what I really think about them?
All these situations
Riding on my patience
Do you wanna know what I really think about you, baby?

Go fuck yourself
Bitch I gotta say that
Bitch I gotta say that, go
Go fuck yourself
Bitch I gotta say that
Bitch I gotta say that, go

And whether your relationship is awful, good, or great, we don't like ending s. We don't like to lose things. And especially, we don't like to lose things that are important to us. And make no mistake, relationships are the single most important thing to you and your life. It's the source of all of your best memories. It's the source of all of your worst memories. When you think back on your life, when you're 95, a hundred years old, and you look back over the course of your lifetime, you're not gonna think, "I wish I owned a better phone. I wish I spent more time on the internet. I wish I spent more time at work, or sleeping", it's not gonna be any of those kinds of things. It's gonna be, "I wish I spent more time with the people I love".

(Go fuck yourself)
Where do you belong
(Bitch I gotta say that)

If I gotta think about it?
(Bitch I gotta say that, go)
Gotta think about it, baby
(Go fuck yourself)
Where do you belong
(Bitch I gotta say that)
If I gotta think about it?
(Bitch I gotta say that, go)
Gotta think about it, baby

(Go fuck yourself)
Where do you belong
(Bitch I gotta say that)
If I gotta think about it?
(Bitch I gotta say that, go)
Gotta think about it, baby
(Go fuck yourself)
Where do you belong
(Bitch I gotta say that)
If I gotta think about it?
(Bitch I gotta say that, go)
Gotta think about it, baby

Where do you belong
If I gotta think about it?
Gotta think about it, baby
Where do you belong
If I gotta think about it?
Gotta think about it
