What's Wrong

Dennis Wilson

Love the way you move me Love the way you groove me I believe in rock and roll

You're standin' in the door girl Holdin' down the floor girl Come on and rock and roll

So what's wrong with you girl What's wrong with being crazy

Can't live with you So I think I'll live without you Play my rock and roll

Your words drip with honey While you spend my money It's funny to watch you girl So what's wrong with you girl

I'm gone I'm gone I'm gone I'm gone

It ain't very funny How you spend all my money

I'm gone I'm gone I'm gone I'm gone Do what you want to but baby don't you do it on me

Your mama thinks I'm crazy Your papa says I'm lazy Cause I play my rock and roll

My head's gettin' hazy My knees are gettin' shaky From playin' my rock and roll

I'm gone I'm gone Saved by rock and roll

I'm gone I'm gone I'm gone I'm gone

It ain't very funny How you spend all my money

I'm gone I'm gone I'm gone I'm gone

Do what you want to but baby don't you do it on me

I'm gone I'm gone I'm gone I'm gone
