

# Better Now

Deno

J-J-Jester made this, Jester made this  
That-That-That's JoJo  
I'm out of sight, I'm out of mind  
I'll do it all for you in time  
And out of all these things I've done  
I think I love you better now

Time and time and time, again, you're waitin'  
Fucked around and still, you still got patience, yeah  
I didn't know 'til you were gone, I think I love you better now  
Goin' 'round and 'round and 'round for ages  
Purple shots alone and now you're faded, yeah  
But when it's all just said and done, I think I love you better now

Damn straight (Damn straight)  
I know that I broke your heart, gave you heartache  
Fuckin' with them other hoes that's on the frontpage  
But you the one that cruisin' off in a i8  
Every time I say "I'm sorry," cover you in diamonds  
Babe, this shit just temporary, tomorrow you ain't smilin'  
I will do the most, you can watch out for the sirens  
When it comes to fightin' for you, nigga, I be rockin', I'm slidin'

'Cause it's you and you and you and you I'm needin'  
I admit I put you in your feelings  
You ain't been yourself since you been close to me  
But, you wouldn't have it anyway, that's how it's supposed to be

Time and time and time, again, you're waitin'  
Fucked around and still, you still got patience, yeah  
I didn't know 'til you were gone, I think I love you better now  
Goin' 'round and 'round and 'round for ages  
Purple shots alone and now you're faded, yeah  
But when it's all just said and done, I think I love you better now

It's been a whole day, tell me if you're okay (If you're okay)  
Time with the Rolex, says you need some Dulce  
Go find a way to show you I'm apologetic  
But if I was you, I don't think that I'd be sympathetic  
I swear I rock with you, I never change for no one  
Even though I scarred your heart so it's open  
Could never think to replace you with no one  
Don't ever worry, you're my soul, you was chosen

'Cause it's you and you and you and you I'm needin'  
I admit I put you in your feelings  
You ain't been yourself since you been close to me  
But, you wouldn't have it anyway, that's how it's supposed to be

Time and time and time, again, you're waitin'  
Fucked around and still, you still got patience, yeah  
I didn't know 'til you were gone, I think I love you better now  
Goin' 'round and 'round and 'round for ages  
Purple shots alone and now you're faded, yeah  
But when it's all just said and done, I think I love you better now

I'm out of sight, I'm out of mind
