(Beatfreakz)

Man just do what I like  
Do it Off-White, do it like Virgil  
Broski went on the bike  
Went on the strip, he doin' up circles  
From South London to Tottenham  
Anywhere with no curfew  
Chatty boys, we don't fuck with them  
Never doin' up verbal

Cutting through London  
Shorty pretty  
Pretty little thing for sure

Real badman, don't obey by the law  
Yo, 'round 11234, now she can't help but call for more (Listen up)  
Ain't no whore, mine or yours  
Comin' in late and she moppin' the floor (That's chores)  
She love charm on watch and flash on my ring but only we know  
Now I'm on a tune with Lz and Deno  
Woulda been S, but he's up on freeflow (Free him up)  
Free bro  
New Jack City, no Nino  
Bro banged it, cocked it, can't reload (Can't do it)  
Sorry, little ma, for the heat though  
Give you a change, fly out, go Heathrow

Man just do what I like

Give her a ten, excellent

Slide in her DM, she knows that I'm preein'  
Give it three days, it's me that she's seein'  
If I hear that she's speakin', I'm due to delete it  
Bust-down Rolex, diamonds are beatin' (Bust down)  
Tinted windows, speedin' through  
I'm gonna blow, got a reason to  
Double Lz, Bando and Deno too  
Free SJ, my G, my Bruce (Free bro)  
He's been with me since like year two  
We've been on the streets, where the fuck was you?  
Now it's mills on mills, and you look at the views  
Now gyal wan ask when I'm droppin' my tunes
