

Different Wave

Deno

But we do things differently
We be on a different mission
Promise that the whole world's gonna pree (Pree)
'Cause we ain't really tryna fit in
But we do things differently
'Cause we be puttin' ball top bins in
Promise that the whole world's gonna pree (Pree)
'Cause we be on a different, different wave
But we do things differently
We be on a different mission
Promise that the whole world's gonna pree (Pree)
'Cause we ain't really tryna fit in
But we do things differently
'Cause we be puttin' ball top bins in
Promise that the whole world's gonna pree (Pree)
'Cause we be on a different, different wave
