Deno

We like to hustle daily  
I know you wan' go crazy  
We in the house with wine, no Amy  
I say we just get wavey  
Don't trust no liar baby  
No if's, no buts, no maybes  
I'll hold you down till your eighty  
So let's just live life, yeah, it's long

Baby girl, what's your name?  
Let me chat to ya  
Let me buy you a drink

Baby blow on the hookah  
Baby smoke on the shisha pipe  
Who cares who knows  
Be the Lauren to my Nip tonight  
Baby blow on the hookah  
Baby smoke on the shisha pipe  
You know I'm from London  
You'll be my Lauren, we like to hustle right

Slow down my baby, your too quick  
Step up in the dance and I pull in two whips  
She back it on my cocky, the back off be too big  
My other ting be calling, I pick up like who's this  
And you're looking like the one that I'm digging  
Said I'm coming home late and now she's all in her feelings  
I'll be sipping on that Henny grab a paper and bill it  
And girl you know your the realist  
You're looking leng when you lick it, ah  
Hit the crib and now she's touching me up  
She put her hands on the floor and now she brucking it up  
Give me couple, couple weeks and she'll be loving me up  
And you're stupid if you ever think she's cutting me off, like  
And everybody knows your mine  
You'll be looking at your baby with your ocean eyes  
Catch me gripping up your neck like come it's lotion time  
You can always call me daddy, boo-boo don't be shy

Baby blow on the hookah  
Baby smoke on the shisha pipe  
Who cares, who knows  
Be the Lauren to my Nip tonight  
Baby blow on the hookah  
Baby smoke on the shisha pipe  
You know I'm from London  
You'll be my Lauren, we like to hustle right
