Deno

Yo, Deno, lemme talk my shit to 'em real quick  
All the way from New York, you feel me?

Now you're talking my lingo, big stacks  
Every day we're making cash  
Making cash, 1, 2, 3 with the gang  
Lingo, money mad  
Everything we do for the bag  
Making cash, 1, 2, 3 with the gang  
(Lingo)

'Cause money mad  
We ain't ever had no bags  
Really came from the bottom of the ground  
So it's crazy now we got bands  
Me and you is a different ratio  
Counting up my P's while I'm on the radio  
Aiming for the top, you niggas are way below (Yeah)  
Saw a big cheque, then I got my mother a yard (Ah-ah, yeah)

I don't wanna do it, but they all gonna make me do me right  
Empty out the clip at the audience, like it's movie night  
Baby in the UK, put you on a sooner flight  
I ain't tryna put it in your mouth if you don't chew it right  
She a little bad thing, and she got an accent  
I can see the Louis Vuitton, upgraded your fashion  
You deserve a stylist, I can make it happen  
She gonna use my lingo in her caption

Now you're talking my lingo, big stacks  
Every day we're making cash  
Making cash, 1, 2, 3 with the gang  
Lingo, money mad  
Everything we do for the bag  
Making cash, 1, 2, 3 with the gang  
(Lingo)

Uh, she rocking with my lingo  
She used to see my shop outside the window  
She was riding with me even when I been low  
But now it's different  
So tell me when you need me  
She told me 'bout her CV  
Bad little freaky ting like Riri  
Normal, for you it's Celine 'cause it's normal  
Dominican, Nigerian, Somalian  
She bad, she make me wanna be her baby-father  
Shit changed, is it me or are you capiana?  
Or is it maybe 'cause I hit a milliana

Take her out to eat, we going Benihana  
Flights from the ends, take her to Bahamas  
Make her do the deed, while she's in her Prada  
She calling me daddy, but I'm the Don Dada

Lingo, big stacks  
Every day we're making cash

Making cash, 1, 2, 3 with the gang  
Lingo, money mad  
Everything we do for the bag  
Making cash, 1, 2, 3 with the gang
