

Medicine

Deno

(That's JJ)

When you phone my line first thing on my mind is, "What's the estimate?"
Don't waste my time with claims of me and you got no evidence
I'm all for mine, rise and shine, keep it elegant
Them boys irrelevant, but we stay so relevant
When you phone my line first thing on my mind is, "What's the estimate?"
Man taking flight, different life, on the Emirates
Man will go to sleep til' the morn', next day, it's the new adrenaline
I don't need no therapy, and I sure don't need no medicine

OT, uptown, servin' to Leon, neon
LV drip with my tee on
Reverse that perky, back let me pree on
They heard us buss, now they know what we on (Brr)
This beef ting try to gas like Elon, we paid now gyal wan' be on us
Back then gyal dem used to sleep on us
Now gyal wanna sleep on tugs, it's mad, mad
Mad, when I roll up with the set
Went a jewelers with an AP on and left with a new Patek (Buss)
Went from shopping in Brixton look at the postcode, bro I'm now in West
Won't rest 'til the end, the best in my gen' and I ain't ever followed no tr
end
I see man skrt when we rass through the passy
My mates go halves on the mashy (Brr)
Opps too dashy, man have to war, no pappy
Pull up on and buck, think I don't do clappy
I spit bars 'cause my past too trappy
Who's that bad B? Shake off your batty (Mm-hmm)
I got Deno, DTT and the wap gonna charge out the batteries

When you phone my line first thing on my mind is, "What's the estimate?"
Man taking flight, different life, on the Emirates
Man will go to sleep til' the morn' next day, it's a new adrenaline
I don't need no therapy, and I sure don't need no medicine
When you phone my line first thing on my mind is, "What's the estimate?"
Man taking flight, different life, on the Emirates
Man will go to sleep til' the morn', next day, it's the new adrenaline
I don't need no therapy, and I sure don't need no medicine

Bro said, "Calm with the cruds so the goons in the wok house hear dem
Hear them bars in the Marsh jailhouse, made me oh so fearsome
We ain't got waps, let's pierce 'em
Rise that corn, let me ping off the led, it will swing off your head, no She
eran (Grr)
New cantaloupe, plant-based, no vegan, she for my G's dem but this gyal wann
a threesome, it's mad, uh, mad
Mad, when I roll up with the set
Went a jewelers with an AP and left with a new Patek (Buss)
Went from shopping in Bricks to look at the postcode, bro I'm not in West
We'll rest 'til the end, the best in my gen' and I never follow no trend (Gr
r)
I see her in need of a job, so run to the shop 'cause the mandem are hirin',
uh
We bring the Payne like Ethan, no youtube when we call you sidemen
Look, who you talkin' to, why you talkin' loose? Boy, no need to chime in
Do what I tell you to do, now it's Deno says, no more Simon

When you phone my line first thing on my mind is, "What's the estimate?"
Man taking flight, different life, on the Emirates
Man will go to sleep til' the morn' next day, it's a new adrenaline
I don't need no therapy, and I sure don't need no medicine
