

I ain't got much to spend for your love  
But I know by now that don't mean much  
I'm going to a party in secondhand clothes  
Address: 90210

Palm trees and champagne by swimming pool light  
90210, treat me good tonight

I ain't got much to cruise to valet  
But these four wheels do me okay  
This Mississippi boy sure ain't used to this view  
I come from from 39202

Caviar days, plastic surgery nights  
90210 with you by my side
