

Find It

Dent May

Have a good time
For all of your life
Feet on the ground
Head in the sky
When you were young and you dream about anything
Something's been lost along the way

There's no guarantee that your life will be long
Stand by your dream 'cause some day you'll be gone
Some day that life has no meaning
Well, you've got to find it for yourself
You've got to find it for yourself

So you've run shop
For all of your life
Feet on the ground
Head in the sky
As you grow older you dream about anything
Something you've lost along the way

There's no guarantee that your life will be long
Stand by your dream cause some day you'll be gone
Some say that life has no meaning
Some say that life has no meaning
Well, you've got to find it for yourself
You've got to find it for yourself

Have a good time
For all of your life
Feet on the ground
Head in the sky
