

I'm so glad we're here together
I'm so glad you're mine
I'm sorry it's been forever
I've been gone a while

I've been trying to find my fate
But I've got no energy
Don't know what's in store for me
But I think it's gonna be fun

I'm so happy to be with you
I'm so glad we're friends
From now on I won't forget to
Phone you now and then

I've been trying to find my fate
But I've got no energy
Don't know what's in store for me
But I think it's gonna be fun

I've been trying to find my fate
But I've got no energy
Don't know what's in store for me
But I think it's gonna be fun

I think it's gonna be fun
I think it's gonna be fun
I think it's gonna be fun
I think it's gonna be fun
I think it's gonna be fun
I think it's gonna be fun
