

# Keep Me In Mind

Dent May

I'm trying just as hard as I can  
To be a clean, that dependable type of man  
And still you're dreaming so cruel  
Look, I know how to play the fool

So when you're feeling lonely  
You know where to find me

Keep me in mind  
When your friends walk out, you can give me a shout  
'Cause I'll still be around  
For a long time  
(And I'll forever be there)

(Keep me in mind)  
(Keep me in mind)

You're running with a dangerous girl  
It's just a matter of time before they let you down  
So if you're out on the street and you're bumping at me  
Don't be too cool to say hi

'Cause I'm just a heartbeat away  
You and me will be together someday

Keep me in mind  
When your friends walk out, you can give me a shout  
'Cause I'll still be around  
For a long time  
(And I'll forever be there)

Keep me in mind  
When your friends walk out, you can give me a shout  
'Cause I'll still be around  
For a long time

Keep me in mind  
When your friends walk out, you can give me a shout (keep me in mind)  
'Cause I'll still be around (keep me in mind)  
For a long time

Keep me in mind
