

Meet Me in the Garden

Dent May

Every Tuesday and every
Other Friday or so
She says meet me
In the garden boy (yes ma'am)
Miss Caroline

The softest boy in Mississippi
Would like to know
Why you're so pretty
Whoa-whoa

Out by the pond a beautiful blonde waits for me

Just say the word and
I'll be there (be there)
I'll fly like a bird
We can travel through the air

Every Tuesday and every
Other Friday or so
She says meet me
In the garden boy (yes ma'am)
I only hurt you 'cause I love you

Though all the birds and flowers
Will go in time
Tonight they're ours
Miss Caroline

Under the oak
She's having a smoke
Just for me

Just say the word and
I'll be there (be there)
I'll fly like a bird
We can travel through the air

Meet me alone in the garden
Excuse me I beg your pardon
I'm young but I can do things
I'll fly away with my wings

Out by the pond
A beautiful blonde waits for me

Just say the word and
I'll be there (be there)
I'll fly like a bird
We can travel through the air
