

One Call, That's All

Dent May

I can't help it, this poor heart just melted
I can't take my eyes off you
It's too good to be true

I'm upset lately 'cause I'm obsessed
With starting this romance
But do I have a chance?

My friends say, "Dent, just toughen up
Grab that phone and say what's up?"

One call, that's all
I need, and I'll be on my way to you
One call, that's all
It takes to make my dreams come true

Okay, I heard it through the grapevine
That you're not doing fine
Do you need someone to talk to?

Now I'm staring at your number
Do you ever wonder late at night crying in your room?

You don't have to be alone
Come on now, pick up that phone

One call, that's all
I need, and I'll be on my way to you
One call, that's all
It takes to make your dreams come true

One call, that's all
I need, and I'll be on my way to you
One call, that's all
It takes to make our dreams come true
