

Parents

Dent May

I wake up every morning
I need to feel some longing
To get out there and try to make a move

I never will stop learning
I need to feel some yearning
To face the world and try to find some truth

Dare us
We'll do anything, you will not scare us
We're gonna fight the feelings that despair us
'Cause we don't wanna be just like our parents
We don't wanna be just like our parents

I like to spend my evenings
Searching for some meaning
I'd like to spend some time searching with you

I never will stop finding
A reason to stay grindin'
Doing things until my days are through

Dare us
We'll do anything, you will not scare us
We're gonna fight the feelings that despair us
'Cause we don't wanna be just like our parents
We don't wanna be just like our parents

Na, na, na, na, na, na
Na, na na na na na

Dare us
We'll do anything, you will not scare us
We're gonna fight the feelings that despair us
'Cause we don't wanna be just like our parents
We don't wanna be just like our parents

We don't wanna be just like our parents
