

Singing For My Supper

Dent May

Thank you to my friends who made it out tonight
Standing in the back of the room
I'm trying to do my best to make it a good time
I plan to have you back home soon

Let's get the band back together
Praise the Lord, Amen
I'm singing for my supper once again

Well, I had a job, sure didn't pay too good
Then I lost it all to make it in Hollywood
Tried to sell my soul to the devil, but he did not reply
Been singing for my supper all my life

Well, let's get the band back together
Praise the Lord, Amen
I'm singing for my supper once again
