When You Were Mine

Dent May

When you were mine
I gave you all of my money

Time after time
You done me wrong

Was just like a dream
You let all my friends
Come over and meet

You were so strange
You didn't have the decency
To change the sheets

Oh girl when you were mine
I used to let you wear
All of my clothes

You were so fine (so fine)
Maybe that's the reason
That it hurt me so

I know that your going
With another guy
I don't care
Cause I love you baby
That's no lie

I love you more than I did
When you were mine

When you were mine
You were kinda sorta my
Best friend
So I was blind (so blind)
I let you fool around

I never cared
Never was the kind to make
A fuss when he was there
Sleepin' in between the two
Of us

I know that your going
With another guy
I don't care
Cause I love you baby
That's no lie

I love you more than I did
When you were mine

When you were mine
You were all I ever wanted to do

Now I spend my time
Following him whenever he's

With you

I know that your going
With another guy
I don't care
Cause I love you baby
That's no lie

I love you more than I did
When you were mine
