

You Already Know

Dent May

One, two, wait
One, two

Hello, howdy, hey, hi
My friend, it's been such a while
Back from the dead now I am alive
What's for breakfast today?
Let's cook up something real tasty
Scrambled eggs and biscuits and gravy

It's all about to happen
It's all about to happen

Now you already know what time it is
It's time to live your life, 'cause it's flying by (ooh-ooh)
No matter the day, week, month or year (ooh-ooh)
It's time to do a lot, ready or not (ooh, ooh)

Can't help wasting my time
Another game of chess played online
But that's alright 'cause it's good for the mind
All day watching TV
But I sure love Dawson's Creek
Some say I look like James Van Der Beek

It's all about to happen
It's all about to happen

Now you already know what time it is
It's time to live your life, 'cause it's flying by (ooh-ooh)
No matter the day, week, month or year (ooh-ooh)
It's time to do a lot, ready or not (ooh, ooh)

(Ooh-ooh, ooh-ooh, ooh-ooh ooh, ooh)
(Ooh-ooh, ooh-ooh, ooh-ooh ooh, ooh)
