

Don't Love The Same

DENĚ

Should I be concerned
'Bout your actions that emerged
You been actin' stranged
There's somethin' in you that's changed
Oh, na-na-na-na
You used to want me so badly (Yeah)
You never dilly-dally (Yeah, yeah)
You keep on denying
And I know that you've been tryin'
But it just don't seem right

You can be honest (Honest), you can be honest (Honest)
Say it to my face if you don't love me the same no mo'
You can be honest (Honest), you can be honest (Honest)
We'll deal with it much better if you just say so

But if you want it, make me feel it
Oh, the feelin' that got me into you, babe
Yeah, if you want it, make me feel it
All you have to do is tell me the truth, 'cause

I'll be fine with bye, bye, bye, bye's
Tired of all the lie, lie, lie, lies
I see it in your eye, eye, eye, eyes
Boy, you don't love the same, boy, you don't love the same
I'll be fine with bye, bye, bye, bye's
Tired of all the lie, lie, lie, lies
I see it in your eye, eye, eye, eyes
Boy, you don't love the same, boy, you don't love the same
I'll be fine with bye, bye, bye, bye's
Tired of all the lie, lie, lie, lies
I see it in your eye, eye, eye, eyes
Boy, you don't love the same, boy, you don't love the same

I know, hey, yeah
Boy, you don't love the same
I know, oh
Boy, you don't love the same, boy, you don't love the same
I know, oh-oh, oh-oh
Boy, you don't love the same
I know

Know I felt good but now you gotta let me go
Ain't no cure for your inflated ego
Immature, I'm tired of putting on a show
It don't flow no more and both of us know
Masaya pa rin naman kahit gan'to
Mananatiling buo kahit 'la ka sa tabi ko, yeah

No, I won't love the same
No more, hey
Pretty maangas
