

Gusto With Ya

DENŮ

Yeah, yeah, yeah, mm-mm

WAYBETTR

I know I'm independent but I think I need ya
Kayang mag-isa pero mas gusto with ya
Parang mababaliw when I don't get to see ya
Sanay nang 'di umasa but ang gusto is ya
I'm independent but I think I need ya
Kayang mag-isa pero mas gusto with ya
Parang mababaliw when I don't get to see ya
Sanay nang 'di umasa but ang gusto is ya, is ya

Oh-woah, 'di maintindihan
It's hard to learn your language, baby, ooh, linawan mo naman
Turn it from 240 to 1080
Pagdadalawang isip ko ay nag-180°, yeah
Gusto ka lang makasama kahit na abot umaga
'Di mawawalan ng gana, ikaw lang ang nakikita
My definition of vision, no, I ain't into submission
But that can still be your mission, forgettin' all my cautions
(Oh-oh)

I know I'm independent but I think I need ya
Kayang mag-isa pero mas gusto with ya
Parang mababaliw when I don't get to see ya
Sanay nang 'di umasa but ang gusto is ya
I'm independent but I think I need ya (I'm independent but I think I need ya)
Kayang mag-isa pero mas gusto with ya (Kayang mag-isa pero mas gusto with ya)
Parang mababaliw when I don't get to see ya (Yeah)
Sanay nang 'di umasa but ang gusto is ya, is ya (Yeah)

Baby, go speak your mind
There's so much things to find
I wanna know just what you like or not, na-na
Sanay nang mag-isa, pero mas sasaya
Kung lagi kang makakasama, yah, yah, yah
