Pull out this long nose revolver like, "Howdy"  
Coolin' at South Park, high as fuck like Towelie  
Sippin' on Crayola, Backwood full of Maui  
I'm so caught up with the burnt Burberry  
Pants saggin', my dick and balls too heavy  
Turn his noodle pack into spaghetti  
Then ride with his body on the hood of the Chevy  
F-L-A, what the fuck is the deal?  
Bitch, I'm straight out of Texas, we keepin' it trill  
Got Kill Bill in me, got King of the Hill  
I'm a Activis sipper, I stay crackin' seals

Cocaine get a hit and a hundred-dollar bill  
I'ma delete him with millimeters, nah, for real  
I cut it off with people, you just like to feel  
I'm beefin' with alligators 'cause I killed they cousin  
Just to make his bitch ass in the booster  
I went to the bone, I'm strong with the roots  
Got a mouth full of diamonds, lookin' like Fruity Loops

They know I'm the truth, make them disappear, poof  
Hit from the back, make the pussy go poof  
Traphouse in the south, got shooters on the roof  
I'm a dog ass Mexican, woof-woof-woof
