

Day N Night - Throwback

Denzel Curry

Yeah, yeah, yeah, yeah
Curry
It is like this

Day and night (What?)
Or afternoon, I'm always on my grind, grind (What?)
I look up, I'm always singin' blue (What?)
There's all the lies, I head there's nothing true, true
Now look at me (What?)
Just tryna fit in but they just let me bleed, bleed (What?)
So I hit the wall in the room and then I cuss (What?)
There's no love in the world, there's all just lust, lust, oh

'Cause day and night
The lonely stoner seems to free his mind at night
He's all alone all through the day and night
The lonely loner seems to free his mind at night, at, at, at night
Day and night
The lonely stoner seems to free his mind at night
He's all alone, some things will never change
The lonely loner seems to free his mind at night, at, at, at night

So here I go (What?)
Just like the ocean, need to find my flow, flow
Comes from the heart, don't really understand
Why they had to take my cousin Johnny, man, man
Never did no time (What?)
I ain't about it, I ain't 'bout that life, life (What?)
Let me mediate and let my mind clear (What?)
So I seen the evil or see no fear, fear, yeah-yeah

'Cause day and night
The lonely stoner seems to free his mind at night
He's all alone all through the day and night
The lonely loner seems to free his mind at night, at, at, at night
Day and night
The lonely stoner seems to free his mind at night
He's all alone, some things will never change
The lonely loner seems to free his mind at night, at, at, at night

Life as a stoner
Life as a stoner
Life as a stoner
Turned him to a goner
Yeah, yeah
Yeah, yeah, yeah
Yeah, yeah
Yeah, yeah, yeah

'Cause day and night
The lonely stoner seems to free his mind at night
He's all alone all through the day and night
The lonely loner seems to free his mind at night, at, at, at night
Day and night
The lonely stoner seems to free his mind at night
He's all alone, some things will never change
The lonely loner seems to free his mind at night, at, at, at night

Na-na-na, na-na-na, he takes to me, me
Carol City, I grind all day
Carol City, I grind all night
Carol City, I grind all day
Carol City, I grind all night
