Didn't Cha Know

Denzel Curry

And I'm—
One, two, three, and
Ooh, oh-oh-ooh
Oh-oh-ooh, oh-oh-ooh
Ooh, oh-oh-ooh
Oh-oh-ooh, oh-oh-ooh

Ooh, hey
I'm trying to decide
Which way to go
Think I made a wrong turn back there somewhere
Ooh, hey
I'm trying to decide
Which way to go
Think I made a wrong turn back there somewhere

Didn't cha know? Didn't cha know?
Tried to move but I lost my way
Didn't cha know? Didn't cha know?
Stopped to watch my emotions sway
Didn't cha know? Didn't cha know?
Knew the toll but I would not pay
Didn't cha know? Didn't cha know?
As you never know where the cards may lay

Time to save the world
Where in the world is all the time?
So many things I didn't know
So many times I've changed my mind
Guess I was born to make mistakes
But I ain't scared to take the weight
So if I stumble off the path
I know my heart will guide me back (Yeah)

Ooh, hey
I'm trying to decide
Which way to go
Think I made a wrong turn back there somewhere
Ooh, hey, ooh
I'm trying to decide
Which way to go
Think I made a wrong turn back there somewhere

Didn't cha know? Didn't cha know?
Tried to run but I lost my way
Didn't cha know? Didn't cha know?
Stopped to watch my emotions sway
Didn't cha know? Didn't cha know?
Knew the toll but I would not pay
Didn't cha know? Didn't cha know?
I said you never know where the cards may lay

Love is life, and life is free
Take a ride of life with me
Free your mind and find your way
There will be a brighter day

Love is life, and life is free
Take a ride of life with me
Free your mind and find your way
There will be a brighter day

Love is life, and life is free
Take a ride of life with me
Free your mind and find your way
There will be a brighter day

Love is life, and life is free
Take a ride of life with me
Free your mind and find your way
There will be a brighter day
