

GOGETA

Denzel Curry

Gotta kill it for my niggas dying off (Uh, uh)
Gotta feel it 'til a nigga get it off (Yuh, uh)
Feelin' like the rocker, nigga, walk and talk (Uh, yuh)
You could be the ball, but you would never ball (Aww)
Kill again, peel it out, tie it off (Yeah, what?)
Pokémon, bitch, I'm known to evolve (Yuh, yuh)
Run the game, bitch, I don't ever jog (What? Huh?)
Make a check, like a nigga been to Prague (Aww)
Made a monopoly, nobody stopping me (Huh? Yuh)
Them I'm gon' build the economy, uh (Yuh, yuh)
Takin' the property, eat it like JolliBee (Uh, yuh)
Then it's goin' straight to the colony (Uh, yuh)
EBT, easily, no one this season seein' me, uh (Uh, yuh, yuh)
Agree to disagree, it's cool 'cause I believe in me, yuh

Fire in my palm (Yeah), bitch, I'm never calm (Yeah)
Put my hands up, time to make a spirit bomb (Get back!)

I got heaters, yuh!
Now my neck Gogeta, yuh! (Uh)
Derek Jeter, yuh!
Knock a nigga out his sneakers, yuh! (Uh)
Got heatseekers, yuh!
Go hard like Gogeta, yuh! (Uh)
Derek Jeter, yuh!
Knock a nigga out his sneakers, yuh! (Uh, yeah)

Really go hard, been a strong machine
So I came with the force that a Jedi never seen
Way too high like I'm caught up in a tree
But a nigga might die if he interrupt the peace
Fuck do you mean?
All of my niggas, they fucking supreme
Pull up and run it like I was Usain
Thinking 'bout my life but a nigga left the game
But a hater want beef then I pull up with the gang
Look at the stats, uh
Got you boys training for weeks, yuh, yuh
Hyperbolic got me super, probably [?] will probably bring fatigue
My nigga, my fucking eye is on the cream
I gotta just ex 'em out by any means

She sucking my Dragon Balls until I'm Z'd, yuh
Got every wish that you need, yuh
Puffing that Piccolo weed, yuh
Pussy, I'm way out your league
Put your lil' nigga straight into debris, yuh

Fire in my palm (Yeah), bitch, I'm never calm (Yeah)
Put my hands up, time to make a spirit bomb (Get back!)

I got heaters, yuh!
Now my neck Gogeta, yuh! (Uh)
Derek Jeter, yuh!
Knock a nigga out his sneakers, yuh! (Uh)
Got heatseekers, yuh!
Go hard like Gogeta, yuh! (Uh)

Derek Jeter, yuh!

Knock a nigga out his sneakers, yuh! (Uh, yeah)

You know this come has power or something

Black power

Power to give a fool like you nightmares

So you will understand that

Black power
