

# Gook

Denzel Curry

I'm a gook!

If I told you that I wasn't then a nigga wouldn't be telling you the truth  
Back in high school, I admit I was a goon, but the way I rap had niggas fooled

Yeah, I'm a gook, niggas started skipping school, me, Monty and Raul  
Hopping the fence by Carol City park, fuck the next class bitch I'm already smart

Yet I'm a gook, see me growing out my hair cause I look like the nigga from Roots

Yeah I'm a gook, Denzel Curry been a gook, nigga that ain't nothing new

Yeah I'm a gook, probably thinking that I'm fool if I told you that I'm rappin too

Yeah I'm a gook, looking like that nigga Boof, cut me off, I'm at the booth  
Bitch, uh!

Jabbie told me we gon blow up like land mines  
I don't fuck with purp, that's the only reason Yams died  
Nigga, I'm a gook, hella awky that's the truth  
But I bet you I can even keep it 10 times better than you  
I'm a gook!

Jabbie told me we gon blow up like a land mine  
I don't fuck with purp, that's the only reason Yams died  
Nigga, I'm a gook, hella awky that's the truth  
But I bet you I can even keep it 10 times better than you  
I'm a gook!

Loose, with a screw, loose from the Tre Deuce, smoking boof  
Bitch, I always knew, that I was a gook  
But how this gook, ended up surpassing you?  
Why you looking confused?  
Made a hard album so what can you do?  
I'm the Gook Runner, the Imperial  
Shout out to mook, that be my flesh, niggas can't fathom that I am the best  
I gave you threatz, ultimate next, shoutout the Klan because that's on the set  
Fucking with me I will put you to rest  
Lie and you'll remember to speak with your chest  
Gooking forever I'm still at your neck  
Bitch I'm gooking forever so give me respect  
BITCH!

Jabbie told me we gon blow up like land mines  
I don't fuck with purp, that's the only reason Yams died  
Nigga, I'm a gook, hella awky that's the truth  
But I bet you I can even keep it 10 times better than you  
I'm a gook!  
Jabbie told me we gon blow up like a land mine  
I don't fuck with purp, that's the only reason Yams died  
Nigga, I'm a gook, hella awky that's the truth  
But I bet you I can even keep it 10 times better than you  
I'm a gook!

From the days, I've seen thus far  
People tell me that I gook on the daily  
One day, I'm gon' be a star, I don't give a fuck if you're gonna hate me  
New chains and brand new cars  
People tell me that it's all gonna change me

But for now, my mind's on mars  
Cause you know a nigga gook on the daily
