

HEADCRAK INTERLUDE

Denzel Curry

I don't wanna hear shit you gotta say, mane
I'm the most mischievous motherfucker you gon' ever hear
Ah, yeah, you motherfucker got a problem then
Hit your head with the blick, smack, smack
That's yo' skull gettin' cracked
Hopin' I don't break my Rolex
Oh yeah, I'm on yo' ass
I got all the tension for the shit you mention, hopin' for inte
rvention, you dig?
What your hood like, my nig'?
Over here, we split your motherfuckin' wig for the shit that yo
u did
Yeah, I'm on yo' ass, nigga, for all that small talk you said w
ith no bread
Let me take the duct-
tape off that mouth, see what you talkin' 'bout now
