

## Lay\_Up.m4a

Denzel Curry

Get your weight up  
Sorry, I do not wait up  
Ball just like a lay-up  
'Til it's a fuck nigga, lay it down  
He's going crazy  
What the Hell is wrong with that guy?  
It's a massacre (Whoa, Kenny)

Get the lead shower  
Grow the fro for black power  
Denzel, in my final hour I will never cower  
Even with guns in my face at sixteen, AR-15  
Got a dollar and a dream  
I wanted to be Corleone but mixed with Cornelius  
Embezzling millions  
Have the crackers be shocked by my brilliance  
By my appearance, it's apparent that I am a (Nigga)  
If I look like I'm Antwon Fisher, that's gon' make 'em sicker

On one hand, I'm a Pharaoh  
On the other hand I'ma deal dope  
Franklins on me, Los Santos  
Diamonds on me, no Thanos  
Too, too smooth like Lando  
Turn a bike to a Lambo  
Whippin' chicken like it's Nandos  
I'm post-Gucci in a bando  
Get your weight up  
Sorry, I do not wait up  
Ball just like a layup  
'Til it's a fuck nigga, lay it down

Maybe they love to hate us  
Maybe I love to be hated (Hater)  
But I might just see you later  
As of now, nothin' been stated  
Why I gotta go on tour to show that I'm goin' through stages?  
And why y'all talkin' 'bout free smoke  
When none of y'all niggas don't say shit  
You's a plain bitch  
Body shame game aim is intense  
Surfboard body ass boy with your fish tits

On one hand, I'm a Pharaoh  
On the other hand I'ma deal dope  
Franklins on me, Los Santos  
Diamonds on me, no Thanos  
Too, too smooth like Lando  
Turn a bike to a Lambo
