

NO PEN NO PAD

Denzel Curry

No pen no pad
Moving round the city like a nomad
Gotta be on point like a gnome hat
Had to leave the place where I'm known at
Now a nigga never wanna go back
Broke niggas ask where the dough at
Old niggas ask where the hoes at
Got these nuts, nigga hold that
No pen no pad
Moving round the city like a nomad
Gotta be on point like a gnome hat
Had to leave the place where I'm known at
Now a nigga never wanna go back
Broke niggas ask where the dough at
Old niggas ask where the hoes at
Got these nuts, nigga hold that

From the dirt got it up out the mud, huh
Bitch I'ma ball, balling like I'm Elmer Fudd, uh
You took a L, meanin' that you took a dub, uh

Most of you niggas is lost might as well call you virginity yo
Fuck a rap name, fuck a rap chain
Fuck the whole game, impregnate
Abort my kids upon her face
