

All This Time

Deorro

All this time
Still a part of me
Standing on your street
At your door
Knocking to the beat
Of a melody

Take me back
Take me back to summers
When the nights were long
Picking up
Picking up the pieces
Right where we left off

Still hear it just like a record
Play on after all this time
Still feel it with me forever
Back seat with your hands in mine

(Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...)
Back seat with your hands in mine

(Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...)
Back seat with your hands in mine

I don't mind
If you're haunting me
In my memories
Let's rewind
'Cause I can't believe
Feels like centuries

Take me back
Take me back to summers
When the nights were long
Picking up
Picking up the pieces
Right where we left off

Still hear it just like a record
Play on after all this time
Still feel it with me forever
Back seat with your hands in mine

(Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...)
Back seat with your hands in mine

(Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...
Darling, darling...)
Back seat with your hands in mine

Still hear it just like a record
Play on after all this time
Still feel it with me forever
Back seat with your hands in mine

See you and I go falling
Right back to our wasteland
And I hear it just like a record
Play on after all this time

All this time, yeah all this time
All this time, yeah all this time
All this time, yeah all this time
All this time
