

## Find A Way

Deorro

Hey, I know I'm far away  
You shouldn't be afraid  
'Cause everything will be okay

Starting to believe that I'm outta my mind  
I'm coming for ya, my love for you is pretty inside  
But the whole world says that I'm just going crazy  
And I'm over my head, I need to know, so tell me  
Should I hold my breath or should I walk away instead?

Promise I'll wait at the end of the road  
I'll be okay but I need you to know

Our love will find a way  
Our love will find a way  
Our love will find a way  
Our love will find a way

Hey, I know you're far away  
I shouldn't be afraid  
'Cause everything will be okay

Don't be afraid, don't be afraid  
To get a little closer  
Don't be afraid, don't be afraid  
To get a little closer

Our love will find a way  
Our love will find a way  
Our love will find a way  
Our love will find a way

Don't be afraid, don't be afraid  
To get a little closer  
Hey there baby, I really really wanna tell you  
Something of me  
Don't be afraid, don't be afraid  
To get a little closer

A little closer  
A little closer  
Get a little closer  
Get a little closer  
Get a little closer
